

We have been very privileged and honored with an opportunity to partner with FreedomProject Academy out of Appleton, Wisconsin to help us develop a virtual, on-site high school for the 2023-24 school year. Through the virtual classroom environment, we are able to bring a learning experience to high school students that is both unique and versatile, while still providing high academic standards and spiritual integrity which has become synonymous with Tri-County Christian School. Please join us at our Tri-County Christian School Open House on February 7th to learn more about this exciting opportunity.

Bring this flyer with you to the open house to enter our raffle for a \$20 gift card!
